How to prepare for your Monthly CHSP - Garden Maintenance Service

If a worker visits your home for your monthly Garden Maintenance Service, they have very limited time to complete your garden maintenance services. It is important to prepare your yard before they arrive by doing the following:

- Wind up hoses – do not leave out on the lawn.
- Pick up any items, rubbish and/or dog poo to ensure the lawn is clear for mowing.

By doing these few simple steps this will ensure that your services are completed in a timely manner – if contractor needs to take time to do this prior to your services, you may not get your whole yard completed in the time allocated for the monthly service.

ATTENTION – ALL CARE SENIORS PROGRAM MEMEBERS!
