

Alice

I really enjoy working and listening to people regarding their health and wellbeing.

Qualifications:

Current First Aid, Current CPR, Certificate III in Individual Support - Disability, NDIS Induction Training, Manual Handling, Certificate III in Aged Care, Infection Control Training.

Alice's Story:

I really enjoy working and listening to people regarding their health and wellbeing. I can relate to them, as I can put myself in their situation and understand how they might be feeling. Having to focus on building this relationship gives me great satisfaction of achieving this goal.

My hobbies and interests are gardening, music, cooking, gym and eating great food.
