How to prepare for your Monthly CHSP - Garden Maintenance Service

If a worker visits your home for your monthly Garden Maintenance Service, they have very limited time to complete your garden maintenance services. It is important to prepare your yard before they arrive by doing the following:

- Wind up hoses – do not leave out on the lawn.
- Pick up any items, rubbish and/or dog poo to ensure the lawn is clear for mowing.

By doing these few simple steps this will ensure that your services are completed in a timely manner – if contractor needs to take time to do this prior to your services, you may not get your whole yard completed in the time allocated for the monthly service.

ATTENTION – ALL CARE SENIORS PROGRAM MEMEBERS!

Carmel has been surrounded by music all her 15-year-old life. This July, the Regional Youth Orchestra (Carmel has been a member since 2021) is going to tour Europe and participate in an International Youth Music Festival in Vienna. The individual cost for each orchestral musician is approx. \$10K.

In this concert Carmel (and the Kelly gang) plan to share a variety of different musical genres from her life
