Hi Everyone,  
Welcome to the September edition of GOIG. Spring is finally here with some warmer weather starting. As usual Care has been busy delivering essential programs and services needed in our community.

Please remember that if you have an enquiry about what's happening in your community, need to know where to go for certain supports or general information about Care and the services we deliver, give our office a call.

Our staff are here to help & our website also provides information about what Care does. Enquiries can also be sent through the website, & we welcome suggestions regarding things that you believe we can add to our programs. We are always keen to hear new ideas!

Care continues to deliver quality NDIS services to our communities – if you have any questions regarding the NDIS, what we can assist with, or supports that are provided please contact us, your enquiries are welcomed.
